Based Coordinator via
email or in person.

Job Mentor Program

Office: (505) 767-5898
cabq.gov/family/crei/jobs-internships

JMP at La Cueva helps students gain both knowledge and experience from inside and outside school.

Students attend seminars and training to prepare them for the workforce. They also gain experience by volunteering and helping the community. This is an opportunity for students to learn more about themselves, and figure out what they might want for their future.
